Differentiated Literacy Strategies for Student Growth and Achievement in Grades K-6 (Paperback)

By Gayle H. Gregory, Linda M. Kuzmich

SAGE Publications Inc, United States, 2005. Paperback. Condition: New. Language: English. Brand new Book. 'The authors of this book offer numerous strategies that not only help our students organise and develop their thoughts and learning but also help us, the busy teachers, to plan ahead and ensure that our students in primary school are well equipped to be life-long learners in this ever changing technological twenty-first century. Overall, this book is a valuable, comprehensive guide to developing the literacy skills of all learners. There are over 100 planning models, examples and checklists included and though I recommend it as a book worth reading and studying from beginning to end, it is a book that the busy teacher can dip into for valuable ideas when planning a literacy lesson. Because this book is inspirational, yet so practical, I certainly will keep it close at hand and intend to begin using some of the suggested frameworks'- REACH, Journal of Special Needs Education in Ireland Today's teachers are accountable for accelerating literacy learning and achievement for learners at all stages of literacy development. This important resource gives teachers an instructional and assessment framework designed to promote the multiple competencies their learners need: functional literacy for phonics, spelling,...
